## Case Study – Wave Wall

A set of wave walls for a sea front in Skegness. These were very large units and the finish required was very specific. For this project there was a lot of planning due to the size of the units especially as after they were cast we had to get them to Skegness.

The units for the project included:

- Five wave walls and one statue plinth

## Wave Walls

Bespoke Concrete Products Limited, VAT Number GB 605 5042 75, Registered in England number 2773783.
